

By Dr. Telly Kamelia

Key Decision Summary

- **Edition Fit:** ISBN 9780198704355 matches the first hardback edition of *Oxford Handbook of Transitional Justice*.
- **Best Price in Snapshot:** The current hardback listing is below the sampled 180-day eTextbook and the other sampled print comparator.
- **Reference Logic:** Because print is already the strongest clean route reviewed here, ownership has the clearest case.
- **Price Snapshot Date:** April 15, 2026

If you only need the buying answer

The current hardback listing at **\$152.79** is below the sampled 180-day eTextbook at **\$168.99** and well below the sampled hardback comparator at **\$260.00**. That makes print the strongest clean route in this snapshot. If you need this handbook at all, ownership is easier to justify than temporary access.

| Store | Format | Condition | Price | Link |
|-----------------|-----------|----------------|-----------------|-------------------------------|
| Merybook | Hardback | New | \$152.79 | Check listing |
| VitalSource | eTextbook | 180-day access | \$168.99 | Check price |
| Peregrine | Hardback | New | \$260.00 | Check price |

Transitional justice is a field that invites return reading. Historical context, legal argument, institutions, archives, gender, and post-conflict governance do not resolve into one linear takeaway. That is why a handbook in this area functions more like a long-term research map than like a temporary course text.

What this book actually teaches

Oxford Handbook of Transitional Justice brings together legal, historical, political, and ethical approaches to transitional justice. Its real value is in assembling a complex field into a structure readers can revisit as questions shift from one domain to another.

Because the current hardback already undercuts the sampled eTextbook and clean print comparator, the ownership decision is easier here than in many other Oxford handbooks.

When hardback is worth keeping

In this snapshot, hardback is the strongest clean route. If you need this handbook, ownership is the natural choice.
